PROJECT EXPERIENCE

Lyrical — Lyric Search Engine

- Designed a UI that allows users to search for any song to find the annotated lyrics
- Features: User Login, Search Capabilities, Song Preview, Song recognition, Favoriting songs
- Built using Java, SpringBoot, MySQL, Gradle, Deezer API, Musixmatch API, and Unirest

WORK EXPERIENCE

Sales Associate, LOWES, Granite City IL, Feb 2018 – Jan 2019

- Kept my department clean and functional by keeping shelves stocked, and maintaining a clean environment
- Assisted customers by finding the best solutions to their problems through researching
- Operated a variety of power equipment daily including a narrow aisle reach truck, forklift, order picker, and a PSL, to assist customers, or restock shelves

General Laborer, Labor Union, Edwardsville IL, July 2019-November 2019

- Operated a variety of power tools.
- Constructed multiple concrete structures including an under-road multi section drain, a crane pad for a river side processing plant, and others
- Assisted in the maintenance of one furnace at US Steel which entailed long hours, difficult manual labor and an extreme work environment.

Sales Associate, Sherwinn Williams, Granite City IL, Feb 2019-July 2019

- Assisted customers in finding proper paint products and accessories for their particular needs.
- Operated a mechanical and semi-automated paint mixer.
- Safely handled toxic and dangerous chemicals daily.
